_____)	

This matter is before the Court for review of the January 12, 2021 Report and Recommendation of United States Magistrate Judge Thomas E. Rogers, III (the “Report”), made in accordance with 28 U.S.C. § 636(b)(1) and Local Civil Rule 73.02(B)(2)(e) (D.S.C.). [ECF No. 15.] In the Report, the Magistrate Judge recommends that Plaintiff Black Hills Holdings, LLC be terminated as a Plaintiff in this action and the Complaint deemed a nullity to the extent it pertains to the LLC. Further, the Magistrate Judge recommends that this court dismiss the case without prejudice and without issuance of service of process for lack of subject matter jurisdiction. Attached to the Report was a Notice of Right to File Objections. *Id.* at p.7. No party filed objections to the Report, and the time for response has lapsed.

The Magistrate Judge makes only a recommendation to this court. The recommendation has no presumptive weight, and the responsibility to make a final determination remains with this court. *See Mathews v. Weber*, 423 U.S. 261, 270–71 (1976). The court is charged with making a de novo determination of only those portions of the Report that have been specifically objected to, and the court may accept, reject, or modify the Report, in whole or in part. 28 U.S.C. § 636(b)(1). In the absence of objections, the court is not required to provide an explanation for adopting the

Report and must “only satisfy itself that there is no clear error on the face of the record in order to accept the recommendation.” *Diamond v. Colonial Life & Acc. Ins. Co.*, 416 F.3d 310, 315 (4th Cir. 2005) (citing Fed. R. Civ. P. 72 advisory committee’s note).

After a thorough review of the Report, the applicable law, and the record of this case in accordance with the above standard, the court finds no clear error, adopts the Report, ECF No. 15, and incorporates the Report by reference herein. Accordingly, Plaintiff Black Hills Holdings, LLC is hereby **TERMINATED** as a Plaintiff in this action and the Complaint is hereby **STRICKEN** to the extent it seeks relief on behalf of the LLC. Further, the Complaint is **DISMISSED *without prejudice and without issuance of service of process*** for lack of subject matter jurisdiction.

IT IS SO ORDERED.
